

MARCEL D'ENTREMONT
FACULTY - IT & CREATIVE INDUSTRIES
BURRIDGE CAMPUS

Marcel d'Entremont

- For nearly two decades, Marcel d'Entremont has been a faculty member in both the Schools of Trades & Technology and IT & Creative Industries at Burridge Campus.
- Upon joining the College, Marcel fully-embraced our employee benefits program, which supports staff in their educational endeavors.
- Since 2001, Marcel has graduated from the College EIGHT TIMES – achieving diplomas and certificates in Internet Systems Management & Support, Applied Communications Arts and Graphic Design – just to name a few.
- Moving well beyond the confines of the classroom, Marcel brought his many skills, and his students, to dozens of impactful service-learning projects across the Yarmouth and Acadian Shores.
- Over the years, he has instilled a considerable sense of community-mindedness and success in his students, which is eclipsed only by the impact he has inspired them to make in their own communities.
- As a lifelong learner, Marcel says that he is motivated to lead by example – challenging himself to be better and do better. He believes that by modeling reflective learning and career fulfillment, he can influence his students positively.
